LISTA DE VEÍCULOS COMPATÍVEIS

ATTENTION ! Liste non exhaustive, pour référence uniquement, vous référer au guide d'utilisation de votre voiture ou vous rapprocher du constructeur automobile. Figurer dans cette liste ne garantit pas que votre véhicule est équipé du système Isofix. Suivant le modèle de votre voiture, le système Isofix n'est peut-être disponible qu'en option. Merci de vérifier que votre voiture est bien équipée de points d'ancrage Isofix avant de commencer l'installation de votre siège auto. Toujours privilégier les places assises arrières même lorsque le code de la route autorise une installation à l'avant. **N'UTILISEZ PAS CE SIÈGE AUTO SUR UN SIÈGE PASSAGER MUNI D'UN AIRBAG FRONTAL!** En cas d'incertitude, contacter le fabricant du dispositif de retenue, ou votre revendeur.

WARNING! Non exhaustive list, for reference only, refer to your vehicle manual or contact the vehicle manufacturer. Being named on the list does not guarantee that your car is equipped with the Isofix system. Depending on the model of your car the Isofix system may only be available optionally. Please check that your vehicle is equipped with Isofix anchorage points before starting installation of your car seat. Always use the back seat if possible even if the Highway Code stipulates that using the front seat is allowed. **DO NOT USE THIS CHILD SEAT ON A PASSENGER SEAT FITTED WITH AN AIRBAG!** If in doubt, contact the manufacturer or retailer of the restraint system.

LET OP! Geen volledige lijst, alleen ter referentie, raadpleeg de handleiding van uw voertuig of neem contact op met de autofabrikant. Autotypes vermeldt op deze lijst hoeven niet uitgerust te zijn met het Isofix systeem. Afhankelijk van het model auto kan het Isofix systeem soms alleen optioneel leverbaar zijn. Controleer of uw voertuig is uitgerust met Isofix bevestigingspunten voordat u het zitje in de auto gaat installeren. Gebruik altijd bij voorkeur de zitplaatsen achterin, zelfs als het verkeersreglement een installatie op de voorste zetel toelaat. **GEBRUIK DIT KINDERSTOELTJE NIET OP ZITPLAATSEN DIE ZIJN UITGERUST MET EEN FRONTALE AIRBAG!** Raadpleeg bij twijfel de fabrikant van het kinderzitje of uw kleinhandelaar.

AVVERTENZA! Elenco non completo, ma solo indicativo. Vi preghiamo fare riferimento al manuale d'utilizzo della vostra auto o di rivolgervi alla casa automobilistica. La presenza, del nome dell'autovettura, nell'elenco non garantisce comunque che sia anche dotata del sistema Isofix. Secondo il modello, in alcune autovetture il sistema Isofix potrebbe essere disponibile soltanto come optional. Verificare che vostra macchina, dove si desidera installarlo, sia dotata del sistema Isofix prima di cominciare l'installazione del seggiolino auto. Privilegiare sempre un'installazione sui sedili posteriori anche quando il codice della strada autorizza un'installazione sul sedile anteriore. **NON UTILIZZARE QUESTO SEGGIOLINO PER BAMBINI SU UN SEDILE PASSEGGERI MUNITO DI AIRBAG ANTERIORE!** In caso di dubbio, contattare il produttore del dispositivo di ritenuta o il rivenditore.

ADVERTENCIA! Lista no es exhaustiva. Solo para referencia. Consultar el manual de utilización o el fabricante de vuestro automóvil. Que su coche esté en la lista no garantiza que su coche esté equipado con sistema Isofix. Dependiendo del modelo de coche el sistema Isofix puede ser opcional. Verifique que su coche está equipado con puntos de anclaje Isofix antes de instalar la silla auto. Priorice siempre los asientos traseros aunque en el código de circulación se autorice la instalación del dispositivo en los asientos delanteros. **NO UTILICE ESTA SILLA PARA NIÑOS EN UN ASIENTO DE PASAJERO QUE CUENTE CON AIRBAG FRONTAL!** En caso de duda, póngase en contacto con el fabricante del dispositivo de retención o con su distribuidor.

AVISO! Lista não exaustiva. Somente para referencia. Consultar o manual de utilização ou o fabricante do seu automóvel. O facto de figurar nesta lista não significa que o seu veiculo esteja equipado com o sistema Isofix. Dependendo do modelo da sua viatura, o sistema Isofix, poderá estar disponível apenas como opção. Terá que verificar se a sua viatura está equipada com os pontos de fixação Isofix, antes de iniciar a instalação da sua cadeira auto. Privilegie sempre os lugares de trás, ainda que o código e a estrada autorizem a instalação à frente. **NUNCA UTILIZAR ESTA CADEIRINHA DE CRIANÇA NO LUGAR DO PASSAGEIRO DA FRENTE SE ESTIVER EQUIPADO COM AIRBAG FRONTAL!** Em caso de dúvida, contacte o fabricante do dispositivo de retenção ou o revendedor.
